Academic policies as well as degree and major-specific requirements can be found at catalog.siu.edu. All students are encouraged to meet with the academic advisor on a regular basis to ensure timely progress to degree.

University Core Curriculum (UCC) is satisfied with the transfer of an Associate of Art or Science (AA or AS) degree or the completion of the Illinois Articulation Initiative-General Education Core Curriculum (IAI-GECC) from an Illinois community college.

¹This program is eligible for the Capstone Option, which reduces the University Core Curriculum (UCC) requirements to 30 credit hours. Any general education category not fulfilled by courses included in the AAS must be satisfied at SIU prior to graduation.

²As necessary to reach 120 degree applicable hours
